Email From: "Neeta Singh" <drugsdiv-mohfw@gov.in> dated Wednesday, March 22, 2023, 2:34:49 PM to be answered by 23.03.2023

**Subject:** Rajya Sabha admitted unstarred question No. 3120 to be answered on 28.03.2023 regarding "Spurious Drugs in circulation".

<b>Spurious Drugs in circulation</b>	
<b>3120 Shri Rajmani Patel:</b>	
Will the Minister of Health & Family Welfare be pleased to state:	
<b>a) Whether it is a fact that spurious and fake drugs and other health care products are available in a large scale in the country;</b>	No comments to offer for the availability of spurious and fake drugs and other healthcare products and their percentage in circulation in the country
<b>b) If so, the percentage of spurious drugs and health care products that are in circulation in the country; and</b>	
<b>c) The steps Government has taken or propose to take to combat and stop the sale of these drugs in the country?</b>	Govt. is committed to ensuring access to affordable quality healthcare and delivering quality products. There is no compromise on the quality of drugs and the drugs are regulated by the CDSCO the National Regulatory Authority. Quality of medicines is ensured through the collective efforts of CDSCO, Quality Control Laboratories, state FDAs and the Pharma industry, etc. There are stringent quality checks in the case of all drugs at various levels. There is a network of notified Central Drug Laboratories, Central Drug Testing Laboratories, Regional Drug Testing Laboratories, Medical Device Testing Laboratories etc. These carry out the Quality Control Testing of drugs for various purposes and at different stages like registration, pre-market release, survey etc. Anyone flouting the norms is dealt with as per the law.
