

The Training programs conducted by the Institute

1.12.1

NIB regularly organizes a various educational and hands-on skill development programme, including summer training, project work, and structured laboratory-based training courses for students, researchers, scientists and officials from universities, institutes, Government organizations and the healthcare sectors.

Details of these programmes are published on the NIB website. In addition, National Skill Development Training (NSDT) programme for hill universities, North-Eastern states and tribal areas are conducted on their request.

1.12.2

To encourage participation from the public and other stakeholders, NIB disseminates information on its training programmes through the NIB website as well as training pamphlets and brochures.

1.12.3

Two-Day Offline Workshop on Handling RTI Matters (H-RTIM-02) conducted by ISTM.

Participants: Two NIB officials:

- Shri P. K. Mohapatra, Administrative Officer (Finance)
- Dr. Suresh Kumar, Scientist Grade II (Veterinary)

Duration: 09.06.2025 to 10.06.2025

(W Z Quazi)
Deputy Director (Admn)
